## F-1 Curricular Practical Training (CPT) Application

### CURRICULAR PRACTICAL TRAINING (CPT) EMPLOYMENT AUTHORIZATION FOR F-1 STUDENTS SEEKING INTERNSHIP/WORK EXPERIENCE RELATED TO STUDIES

#### CURRICULAR PRACTICAL TRAINING (CPT) OVERVIEW

CPT is meant to be work that is a part of the curriculum, which contributes to the completion of the degree program. CPT employment/training must be either an *integral* (e.g. *highly recommended*) or *required* part of the student's program of study; it cannot be authorized simply because the work is related to the major field of study.

U.S. Citizenship and Immigration Services regulations define Curricular Practical Training as:

- (1) work which is an integral part of the established curriculum;
- (2) alternate work/study;
- (3) internship;
- (4) practicum;
- (5) cooperative education; or
- (6) required internship or practicum offered through cooperative agreements with the school. (NOTE: CPT is not necessarily limited to work experiences which are required for program completion.)

Both **paid** and **unpaid** employment requires prior authorization from Capstone International Services. Unpaid work is considered to be employment by USCIS, since for immigration purposes, the definition of employment includes any service performed for personal benefit, such as wages, academic credit, data collection essential to program completion, etc.

Students **may not volunteer** for a position for which someone is normally paid.

**English Language Institute (ELI)** and **Non-Degree Students** are not eligible for Curricular Practical Training.

#### EMPLOYMENT REQUIRED FOR PROGRAM COMPLETION (REQUIRED TRAINING)

##### Employment/Training Eligibility Requirements

Work required by the program of study always meets USCIS requirements for CPT. Before beginning employment, **paid or unpaid**, the student must obtain written authorization for CPT on page three of his/her I-20. CPT is job-specific—employment is limited to the employer, location, and dates listed on page 3 of the I-20. Employment is authorized for only one semester/term at a time (maximum ending date: day before classes start for the following semester/term). The same procedure used to apply for CPT initially must be followed to extend CPT authorization.

**Student Eligibility Requirements** - Students applying for CPT for required training must meet the following criteria:

- (1) maintaining lawful F-1 status;
- (2) in a degree-seeking program (non-degree students and ELI students are not eligible for CPT);
- (3) maintained lawful full-time enrollment for at least one full academic year (Exception: Graduate students are eligible for CPT whenever the program *requires*, even if it is immediately after beginning the program of studies.);
- (4) “in good academic standing,” (GPA of at least 2.0, undergraduate/3.0, graduate);
- (5) offer of training/employment that is a requirement of the program of studies;
- (6) must enroll in academic credit for the employment experience.

## **EMPLOYMENT NOT REQUIRED FOR PROGRAM COMPLETION (INTEGRAL OR ALTERNATIVE TRAINING)**

### **Employment/Training Eligibility Requirements**

Training which is not required by the program of study in order to complete the degree *may* meet the requirements if (a) the student receives academic credit for the training or (b) the training will contribute directly to the completion of the thesis or dissertation. Training obtained through UA's Cooperative Education Office usually meets USCIS requirements for CPT.

**Eligibility Requirements** - Students applying for CPT for Integral or Alternative training must meet the following criteria:

- (1) maintaining lawful F-1 status;
- (2) in a degree-seeking program (non-degree students and ELI students are not eligible for CPT);
- (3) maintained lawful full-time enrollment for at least one full academic year;
- (4) "in good academic standing," (GPA of at least 2.0, undergraduate/3.0, graduate);
- (5) must have an offer of training/employment that meets the integral/alternative training requirements;
- (6) must have the academic adviser's recommendation for participation;
- (7) must enroll in academic credit for the employment experience.

## **EMPLOYMENT REQUIRED FOR COMPLETION OF THESIS/DISSERTATION/PROJECT**

### **Employment/Training Eligibility Requirements**

The employment/training must contribute directly to the thesis, dissertation, or project for students who have completed all required coursework.

**Eligibility Requirements** - Students applying for Integral/Alternative CPT training must meet the following criteria:

- (1) maintaining lawful F-1 status;
- (2) in a degree-seeking program (non-degree students and ELI students are not eligible for CPT);
- (3) maintained lawful full-time enrollment for at least one full academic year;
- (4) "in good academic standing," (GPA of at least 2.0, undergraduate/3.0, graduate);
- (5) must have an offer of training/employment tied to thesis/dissertation/project research;
- (6) must have the academic adviser's recommendation for participation;
- (7) must enroll in academic credit or research credits for the employment experience.

## **FULL-TIME VS PART-TIME CPT**

### **Full-Time Training**

Employment for 21 hours or more per week is considered "full-time" CPT. The employment authorization provided by CIS on page three of the I-20 will specify permission to engage in full-time training. Undergraduate students may engage in full-time training during the summer and breaks only; during the fall and spring academic semesters, undergraduate students must be enrolled full time and are limited to 20 hours of work per week. Graduate students in full-time training are not required to enroll for credits other than those specified in the CPT recommendation memo provided by the academic advisor or UA Cooperative Education office—full-time CPT is also considered to be full-time enrollment for graduate students (per <http://graduate.ua.edu/admin/policy/MinRegistrationRequirementsPolicies.pdf>). There is no limitation upon number of months that the student may participate in full-time CPT; however, if a student participates in 12 or more months (more than 364 days) of full-time CPT, the student is no longer eligible for Optional Practical Training (OPT).

### **Part-Time Training**

Employment for 20 hours or less per week is considered "part-time" CPT. The authorization provided by CIS will specify permission to engage in "part-time" training. During part-time CPT that is authorized in fall or spring semesters, the student is required to enroll full-time, meaning that in addition to the CPT credits, the student must enroll in additional credits that together will equal full-time enrollment. To maintain lawful F-1 status, the student must be careful to **limit work to no more than 20 hours per week** and to also **maintain full-time enrollment** in school during part-time CPT employment. There is no limitation on the number of months the student may engage in part-time CPT. Part-time CPT does not affect future eligibility for Optional Practical Training (OPT).

## STUDENTS WHO HAVE PREVIOUSLY VIOLATED F-1 STATUS

A student in valid F-1 status for one full academic year before the violation of F-1 status occurred has met the one academic year requirement and is eligible for CPT upon reinstatement to valid F-1 status.

A student in F-1 status less than one academic year when the status violation occurred has not met the one year requirement. Time towards this requirement will begin when reinstatement is granted.

**NOTE:** A “new” period of F-1 status begins when a student exits the U.S. and returns with an “initial attendance” I-20. The student is again in valid F-1 status, but previous enrollment will not apply to accrual of the one year requirement.

## CPT SEMINAR – HELD REGULARLY EACH SEMESTER AT CIS

Capstone International Services (CIS) conducts seminars throughout each semester to discuss Curricular Practical Training (CPT). The seminars provide further information and clarification of the United States Citizenship and Immigration Services (USCIS) regulations regarding employment by F-1 students, CIS’s policies regarding Curricular Practical Training, as well as procedures for applying for employment authorization. Contact this office for more information or to register for a seminar. The seminars are repetitive — you need attend only one.

## CPT APPLICATION PROCEDURES

### Documents Required for Application

Student must obtain written authorization for Curricular Practical Training from CIS **prior** to beginning employment in a paid or unpaid:

- (1) internship or practicum which is required for the completion of a degree;
- (2) alternative/integral employment/training which is **not** required for program completion, but is indeed an **integral** part of the degree program;
- (3) employment/training directly related to the student’s thesis, dissertation, or project.

### Submit the Following Documents to Capstone International Services:

1. **F-1 Curricular Practical Training (CPT) Application (pages 5 & 6 of this packet)**, completed by the student.
2. **Academic Department’s Recommendation** from student’s academic adviser, dean, department chair, or the professor who will be supervising the training experience (**found on page 7 of this packet**).
3. **Job-offer letter** on official letterhead/stationery from the prospective employer (**sample on page 9**). This letter must come from the agency that will be issuing the student’s paycheck and must include **all** of the following information:
  - a. **Location.** Complete address of all locations where employment/training will take place. Do not submit Post Office Box only; a physical address of locations of employment/training is required.
  - b. **Position.** Position/title that will be held by the student.
  - c. **Part/Full-Time.** Letter should indicate whether the position is part-time or full-time. Part-time: 20 hours/less per week. Full-time: more than 20 hours per week.
  - d. **Duties.** Brief description of student’s expected duties and responsibilities.
  - e. **Period of Employment/Training.** Both beginning and ending dates are required. Employer may specify that the ending date is for the purpose of CPT authorization only. Authorization is issued for only one academic term at a time.
    - \***Academic term.** Authorization dates may not overlap actual term dates. Authorization may end as late as the day before class begins for the following term. For example, if CIS is authorizing CPT participation for the fall semester, and spring classes begin January 5, authorization for a fall semester internship may be authorized to end as late as January 4.
4. **Recent unofficial Transcript of Grades** (issued to student) may be obtained through student’s MyBama account or from the office of Academic Records, 206 Student Services Building. A fee for this service will be charged by the Records office.

## SPECIAL INSTRUCTIONS FOR COOPERATIVE EDUCATION CERTIFICATION

UA's Cooperative Education Office must receive a *Certification of Eligibility for Coop Interviews* completed by a CIS staff member before the student will be allowed to apply for jobs. If offered employment, the student must then obtain written authorization for Curricular Practical Training from CIS **prior** to beginning employment. The following documents are required when applying for CPT under the Cooperative Education Office:

1. **F-1 Curricular Practical Training (CPT) Application (pages 5 & 6 of this packet)**, completed by the student.
2. **Cooperative Education's Memorandum** confirming the job offer, course number, and number of enrollment hours **(found on page 7 of this packet)**.
3. **Job-offer letter** on official letterhead/stationery from the prospective employer **(sample on page 9)**. This letter must come from the agency that will be issuing the student's paycheck. The offer must include **all** of the following information:
  - a. **Location.** Complete address of all physical locations where employment/training will take place. Do not submit addresses to a Post Office box.
  - b. **Position.** Position/title that will be held by student.
  - c. **Part/Full-Time.** Letter should indicate whether the position is part-time or full-time. Part-time: 20 hours/less per week. Full-time: more than 20 hours per week.
  - d. **Duties.** Brief description of student's expected duties/responsibilities.
  - e. **Period of Employment/Training.** Both beginning and ending dates are required. Employer may specify that the ending date is for the purpose of CPT authorization only.
4. **Recent unofficial Transcript of Grades** (issued to student) may be obtained through My Bama or from office of Academic Records, 206 Student Services Building (a fee will be charged by Records).

## AUTHORIZATION PROCEDURES

Advisors in the office of Capstone International Services are authorized by federal regulations to grant the actual written work permission on page three of USCIS Form I-20. Thus, if a student is eligible for work authorization and submits all the required documentation to a CIS advisor, the student may receive written work authorization within a matter of days.

## DO NOT WORK WITHOUT PERMISSION

Working, for pay or not, without proper authorization or not following the guidelines of the CPT authorization is a serious violation of a student's nonimmigrant status. Therefore, a student should consult with CIS before taking any sort of employment or off-campus training. It is the student's responsibility as an F-1 to comply with all immigration regulations which apply to the terms and conditions of the F-1 status. Upon failing to comply with USCIS rules for the F-1 status, a student is no longer eligible for the benefits normally granted to F-1 students, including on- or off-campus employment authorization.
