Curricular Practical Training (CPT)

WHAT IS CPT? Temporary employment (e.g., internship) that is an integral part of an established curriculum.

- q Only available prior to degree completion
- q Directly related to major field of study (item 5 on I-20)
 - q Cannot be in a minor field of study
 - q Cannot be in a previous field of study if different than your current major field of study
- q Employer specific (must have job offer letter)
- q Must be authorized by CIS with a new I-20
- q Not intended for general, ongoing work authorization
- q Even unpaid internships require CPT authorization

Requirements

- q Complete 1 academic year (Fall and Spring semesters) in F-1 status
 - q Exception may be made for graduate students in programs that require an internship the first year of study
- q Job offer in major field of study
- q Departmental approval (recommendation form on page 7 of CPT Packet)
- q Maintain full-time student status for the duration of the CPT (if in Fall or Spring Semesters)
- q Continue to make normal degree progress
- q NOTE: You may not begin CPT until new I-20 authorizing CPT is issued by CIS

CPT Impact on I-20 Program Extensions

The duration of an I-20 should provide sufficient time to complete the academic degree for which it was issued.

- q Participation in CPT should not delay one's program completion.
- q A student's desire to continue working on CPT, under immigration regulations, cannot be the basis of an I-20 extension.

Types of CPT

q **Required for the Degree**

- q Internship required for everyone in degree program in order to complete degree.

q **Integral to the Curriculum**

- q Internship is not a required part of the program's curriculum, but the internship is considered integral to the academic experience.

q **Dissertation/Thesis Research**

- q Off-campus work/training is necessary to complete research necessary for a dissertation/thesis.
- q Must register for dissertation/thesis hours or a department-specific dissertation/thesis credit and file a [Less-Than-Full-Time Recommendation](#).

CPT: Full-Time vs. Part-Time Work Authorization

- q **Part-Time:** 20 hours or less per week
 - § Part-Time CPT has no impact on eligibility for OPT.

- q **Full-Time:** Allows you to work more than 20 hours per week
 - § More than 364 days of full-time CPT makes you ineligible for OPT at this degree level.
 - § CIS recommends limiting full-time CPT to 11 months

- q **On-campus employment and CPT together cannot exceed 20 hours of work a week during Fall and Spring semesters. This includes assistantships. An exception is made for graduate students who have completed coursework and are in research hours.**

Duration of CPT

- q CPT is authorized by semester
 - q Participation in CPT may begin as early as the day after the previous semester ends, but CPT must end before the first day of the following semester (e.g. CPT can include the break between semesters, but cannot go into another semester)

- q CPT may be extended if recommended by academic department and authorized by CIS
 - q Submit a new CPT request for each semester and each employer, including summer session(s).

- q You may participate in CPT as much as your program will allow & department will authorize.
 - q A student will be ineligible for OPT if he/she participates in greater than 364 days of **full time** CPT.
