**TUSCALOOSA'S INTERNATIONAL FRIENDS (TIF)
 FRIENDSHIP FAMILY APPLICATION**

If you wish to host an international student for an academic year, please complete this form at your earliest convenience. The following information will assist us in determining the best "Friendship Family" match for you and our visiting international students. You will be paired with a new student for his/her first academic year.

You may elect to continue your friendship with an existing student; however, the purpose of TIF is to befriend and encourage a new student each year in his/her adjustment and acclimation to the Tuscaloosa community. Also, a \$25 annual membership helps to provide TIF with funds for mailings, social events, and scholarships through the academic year. Thank you for considering this opportunity and for your participation should you choose to join TIF's friendship network.
