

## International Travel Assistance and Insurance

(June 1, 2018)

This program provides assistance to faculty, staff and students engaged in university related study or business while traveling outside of the United States who are injured in an accident. Assistance may also be available for evacuation due to natural disasters, civil unrest or medical emergencies. This program is not intended to replace a primary care health insurance program and will not respond to routine illnesses or preventative care needs. Policy terms, conditions and exclusions apply.
