THE UNIVERSITY OF ALABAMA EXCHANGE STUDENT COURSE REGISTRATION FORM

Complete this form and submit it to the International Student & Scholar Services office so that we may assist you in registering for your courses. By filling out this form, you will not be automatically enrolled in courses, but rather you will inform us of the courses you want to register for so that we can help facilitate the registration. Make certain that you write down the course reference numbers (CRN) for alternate sections of a selected course in case the section you request is not available. Also, we recommend that you discuss with your home institution advisor your options if all sections of a particular course are closed. You may also want to get some alternate courses pre-approved in case you do not get in your first choices of courses. After completing the form, please email to international@ua.edu.
