THE FUTURE IS YOURS.
THE PLACE IS UA.
Our growing and diverse community of scholars oversees local and global challenges.

State-of-the-Art Facilities
We lead interdisciplinary initiatives and research in UK’s world-class facilities. Our laboratories and study spaces are second-to-none.

Superior Funding
With more than $25 million awarded last year nearly half of our graduate students received funding to further their educations and reward their accomplishments. Assistantships, fellowships and scholarships are available to qualified students. In most cases, financial support includes a full tuition scholarship, health insurance and a generous monthly stipend.

General Admission Requirements*
• GPA of 3.0
• Statement of purpose
• Letters of recommendation

Non-Native English Speaker Requirements
• TOEFL 550
• PTE 59
• IELTS 6.5

If your language test score is below these requirements, you may be considered for conditional language admission. For more information, visit graduateuky.edu/prospective-students/international-admissions.
