Continuing through the Pandemic

The Education Abroad (EA) office continues to support UA students who participated in programs abroad and/or global virtual opportunities. Even through the coronavirus pandemic that caused sever disruption to international education and travel, EA has been able to support:

- **20** first-generation students who traveled to France, Spain, Portugal, Jordan, Spain, South Korea and Italy
- **27** Pell-grant students who traveled to Europe and Asia
- **49** students who indicated they had never been abroad before.

Study Abroad by Class

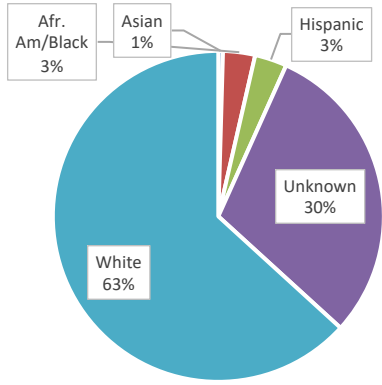

Study Abroad by Term

In collaboration with Culverhouse College of Business, EA launched the Global Virtual Internship program with 18 students who are working with global partners from around the world. The students will complete 8-week internships at companies such as LATAM airlines, PVH Corp, Mission Australia, Phillip Capital Management and MayBank Malaysia.
