

J-1 Student Intern Program: Description and Administration

This category allows international students currently enrolled and pursuing a degree at a postsecondary academic institution outside the U.S. to participate in student internship programs for up to 12 months (limited to just 12 months of internship per degree level). Departments which host J-1 Interns are responsible for developing an internship plan, evaluating intern participation, and supporting the intern through faculty mentorship and other assistance, such as locating suitable accommodations. International Student & Scholar Services, designated by the University and the Department of State as administrators of the University's J-1 program, will assist departments and interns in producing the immigration paperwork (form DS-2019) required for the intern's visa, admittance to the U.S., and maintenance of valid immigration status.

J-1 Student Intern Program Requirements and Prohibitions

The Department of State has established the following requirements for participation in the J-1 Intern program:

- The internship must consist of a minimum of 32 hours per week of internship activity, no more than 20 percent of which consists of clerical work.
- The internship must fulfill the educational objectives for the intern's current degree program at his/her home institution. It must expose the participant to U.S. techniques, methodologies, and technology; and it must expand upon the intern's existing knowledge and skills, not duplicate the student intern's prior experience.
- A student intern may be paid or unpaid. To be employed, however, the student intern must receive approval from his/her home institution's dean or academic advisor.
- The internship must not place the intern in any position that involves any of the following: unskilled or casual labor; child care or elder care; aviation; clinical positions or any other kind of work involving patient care or contact, including therapy, medication, or other clinical or medical care (e.g., sports or physical therapy, psychological counseling, nursing, dentistry, veterinary medicine, social work, speech therapy, or early childhood education); or any "position, occupation, or business that could bring the Exchange Visitor Program or the Department [of State] into notoriety or disrepute." [22 CFR § 62.23(i)(7)(iii)]
- The internship cannot serve to fill a labor need. It must exist solely to assist the student intern in achieving the objectives of his or her participation in a student internship program. The internship must consist of work-based learning, rather than ordinary employment or unskilled labor.
- The internship cannot displace American workers, whether full- or part-time, temporary or permanent.
- If in the field of agriculture, the internship must meet all requirements of the Fair Labor Standards Act and the Migrant and Seasonal Agricultural Worker Protection Act.

Financial Support Required

Host departments must verify that the student intern and any accompanying dependents will have sufficient funding for the entire length of stay. The minimum amount of financial support for an intern is \$1500 per month, plus \$500 per month for each accompanying J-2 dependent spouse or child. The internship may be paid or unpaid. If the department will pay the intern a salary or stipend, then the amount of financial support should be noted in the letter of invitation. If the internship will be unpaid, then the intern must submit a bank statement or a sponsor letter.

Estimated Costs of Living Expenses (Based on Living Expenses for one person)*		
Expense	MONTHLY	ANNUAL TOTAL
Housing (1 room in shared apartment)	\$800 - \$1000	\$9600 - \$12,000
Utilities (Electricity, Water, Sewer, Garbage)	\$150 - \$250	\$1800 - \$3000
Cell Phone	\$30 - \$100	\$360 - \$1200
Groceries	\$300 - \$400	\$3600 - \$4800
Health Insurance	\$100 - \$200	\$1200 - \$2400
Personal Expenses	\$120 - \$200	\$1440 - \$2400
TOTAL	\$1500 - \$2150	\$18,000 - \$25,800

SEVIS Fee and Visa Fees

Prospective J-1 interns are required to pay certain fees, described below, in order to obtain their J-1 visas* and enter the United States. Either the intern or the department may pay these fees.

SEVIS Fee: The U.S. Department of Homeland Security charges all new J-1 interns a \$180 fee to cover the costs of the Student and Exchange Visitor Information System (SEVIS), a central database that manages information related to visitors' immigration status while in the United States. The International Student & Scholar Services, when sending the DS-2019 form, will provide prospective J-1 visitors with instructions on how to pay the SEVIS fee.

Visa Fees: In addition to the SEVIS fee, the prospective intern must pay certain visa fees. Please see the Department of State web site for more information on fee amounts: <https://travel.state.gov/content/travel/en/us-visas/Visa-Reciprocity-and-Civil-Documents-by-Country.html>. In addition, if the visa is issued, the intern may have to pay a further visa issuance reciprocity fee, if applicable. Prospective interns can consult the following web site to determine if they must pay a visa issuance reciprocity fee and the fee amount: <https://travel.state.gov/content/travel/en/us-visas/Visa-Reciprocity-and-Civil-Documents-by-Country.html>. Interns should consult the web site of the particular embassy or consulate where they plan to apply for their J-1 visa for information on how to pay their visa fees: <http://www.usembassy.gov/>.

Health/Medical Insurance Requirement

Based on new federal regulations that went into effect in May 2015, J-1 Student Interns must maintain the following minimum level of health insurance for themselves and any J-2 dependents for the duration of their stay in the United States:

1. Medical benefits of at least \$100,000 per accident or illness;
2. Repatriation of remains in the amount of \$25,000;
3. Coverage for medical evacuation of the exchange visitor to his/her home country in the amount of \$50,000;
4. A deductible which does not exceed \$500 per accident or illness; and
5. Exchange visitors may also be subject to the requirements of the Affordable Care Act.

Interns must provide proof of health insurance for themselves and any family members when they first arrive and report to International Student & Scholar Services, and again if they later apply for an extension of their J-1 status. The interns may purchase any plan that provides the minimum level of coverage listed above.

Mandatory Evaluation of J-1 Interns

Department of State regulations require that an evaluation be completed for each J-1 Student Intern at the end of his/her internship. Those internships which last longer than 6 months also require at least one additional mid-program evaluation, to be undertaken at the mid-point of the program. (The J-1 Student Intern Evaluation Form is on page 8 of this packet).

* Please note: Canadian citizens must pay the SEVIS fee, but are not required to obtain a J-1 entry visa.

APPLICATION STEPS

Step 1: Instructions for the Student Intern Applicant

The J-1 Student Intern Applicant should complete Sections 1, 2, and 3 of the Application for J-1 Student Intern and sign the statement at the end of Section 3. Once the J-1 Student Intern Applicant has completed Sections 1, 2 and 3, he/she should submit the form and supporting documents directly to The University of Alabama department which will host him/her.

In addition to Sections 1, 2, and 3 of this form, the J-1 Student Intern Applicant should submit the following materials to his/her host department:

- A copy/scan of the J-1 Student Intern Applicant's main passport information page.
- Proof of English Language Proficiency:
 - A letter from an English instructor at the intern's institution or an English language school verifying the intern has language skills to "function on a day-to-day basis in the internship environment."
 - Alternatively, the intern can provide evidence of passing a recognized language test.
 - **TOEFL iBT** –Minimum Score 79
 - **TOEFL Paper-Based Institutional Exam** – Minimum Score 550
 - **TOEFL Essentials** – Minimum Score 8.5
 - **IELTS** – Minimum Score 6.0
 - **Duolingo Test of English** –Minimum Score 110
 - **PTE** –Minimum Score 59
 - **Cambridge English Test** –B2 First Certificate
 - **TOEIC** – Minimum Score 400
- If the intern will be paid by The University of Alabama, then the intern must submit a letter from the dean or academic advisor from his/her home institution which authorizes the employment.
- If the intern will not be paid by The University of Alabama, the J-1 Student Intern Applicant must submit proof of adequate financial support and provide copies to ISSS. The amount should be at least \$1500/month for the J-1 Student Intern Applicant and \$500/month for each for a dependent J-2 spouse or child(ren).

Step 2: Instructions for the Department

After receiving all documents from the J-1 Applicant, the department should complete Section 4 on pages 6 & 7 and submit the entire Application for J-1 Student Intern (Sections 1, 2, 3, and 4) along with any accompanying financial documentation and passport copies to International Student & Scholar Services.

In addition to this form, departments are required to provide an invitation letter on department letterhead, inviting the J-1 Student Intern to come to UA as visiting student intern.

Please submit all of the requested information. International Student & Scholar Services must have these materials in order to process your request for your prospective intern's immigration documents.

Besides this request to host a student intern, departments must complete the [Visiting Scholar/Visiting Student Form \(DocuSign\)](#) and [Access to Campus Privileges Setup Form \(DocuSign\)](#) for Academic Affairs and HR approval for hosting a Visiting Scholar or Student, to generate a CWID Number and Action Card as well as access to UA Libraries for the dates of the visit.

Step 3: International Student & Scholar Services

After receiving all documents from the J-1 Applicant and Department as well as the supporting documents, International Student & Scholar Services will process the DS-2019 Forms for the J-1 Student Intern and for all J-2 Dependents in the Student and Exchange Visitor Information System Database (SEVIS).

Along with the DS-2019(s), International Student & Scholar Services will prepare a packet for the J-1 Student Intern Applicant which will include an invitation letter and information about: the J-1 Exchange Visitor Program, paying the SEVIS fee, obtaining the J-1 Visa, travel to the United States, and general information about The University of Alabama and Tuscaloosa, Alabama.

Processing Time - Plan 3 Months in Advance

After submission of the complete J-1 Student Intern Application, please allow at least 4 weeks for International Student & Scholar Services to process and prepare all supporting J-1 Visa documents.

Overall processing time for the student intern to obtain a J-1 visa and arrive in the US is a minimum of at least 8 weeks (more if there are delays due to [Administrative Processing](#) delays at the Embassy).

SECTIONS 1, 2, & 3 TO BE COMPLETED BY J-1 STUDENT INTERN APPLICANT AND SUBMITTED TO HOST DEPARTMENT WITH REQUIRED DOCUMENTATION. BE SURE TO TYPE OR PRINT CLEARLY.

OVERVIEW OF EXPORT CONTROL REQUIREMENT

In support of your request for visa sponsorship, International Student & Scholar Services asks the department to complete the following questionnaire. ISSS will send this documentation to the [Office of Research Security and Export Control \(orsec@ua.edu\)](mailto:orsec@ua.edu), who will review the form and if necessary will confer with the sponsored-individual and appropriate supervisor or administrator to determine whether a license under EAR or ITAR would be required. The license acquisition process would be initiated in parallel to visa sponsorship. Any future changes or extensions of the visa sponsorship/employment must also be reviewed for compliance. For more information about Export Control: <https://research.ua.edu/resources/export-controls/>.

**SECTION 6: DEPARTMENTAL APPROVAL FOR J-1 STUDENT INTERN SPONSORSHIP
TO BE COMPLETED BY THE UNIVERSITY OF ALABAMA HOST DEPARTMENT**

By signing below, we attest that we will comply with the following departmental/college responsibilities in hosting a J-1 Intern:

1. The department acknowledges and agrees to conform to the J-1 program requirements and prohibitions established by federal law 22 CFR § 62.23 (please see page 1 of this packet).
2. **The department will have the intern make an appointment to check in with International Student & Scholar Services by the first day of their appointment** so that International Student & Scholar Services can fulfill the government’s reporting requirements.
3. If an extension of program is necessary, the department will provide an updated appointment letter, proof of any additional funding, and a completed J-1 Student Intern Evaluation Form **at least two weeks prior to the current program end date**.
4. If the intern does not come to The University of Alabama as expected or will be delayed in arriving, the department will inform the International Student & Scholar Services as soon as possible so that his or her documents can be updated.
5. If the intern ends his or her participation in the program more than 30 days earlier than the expected appointment date, the department will inform International Student & Scholar Services so that his or her immigration record can be updated as required by law.
6. Upon completion or termination of appointment, the department will inform International Student & Scholar Services of the intern’s departure date by either email or formal letter.
7. After the completion of the internship program, the department **will provide International Student & Scholar Services with an evaluation of the intern's participation** (please see page 8 of this packet). Programs lasting more than six months must include a mid-term and final evaluation.
8. The department understands that International Student & Scholar Services does not provide assistance in making housing arrangements.

CWID AND SYSTEMS ACCESS

- For unpaid scholars and interns, departments must also complete Academic Affairs’ **Visiting Scholar/Visiting Student Form (DocuSign)**.
- To give an unpaid scholar and intern access to UA Libraries and other campus facilities, departments must complete **Access to Campus Privileges Setup Form (DocuSign)** for HR processing into the Banner system.
- Upon the Scholar’s arrival:** if scholar will need access to UA Email, computer systems, and/or building access, you will need to submit additional forms (see below):
 - **Email Account Request**
 - **VPN Request**
 - **Research Computing Portal Request** (to be completed by Host Supervisor)
 - **Building/Lab Access Request** (to be completed by the Building Representative)

TECHNOLOGY ALERT LISTS & VISA DELAYS

Student Interns who will conduct research or teach in fields (primarily sciences, engineering, and technology) that are related to the fields on the Technology Alert List (TAL) can expect lengthy delays for their visa issuance. While the current version of the Technology Alert List is not available to the public, an older version of the Technology Alert List gives a list of 15 categories that are subject to clearance, which provides helpful guidance in preparation.

It is important to note that a scholar does not have to be conducting research in a field that is on this list to be subject to TAL clearance. If the Consular Officer feels that the field of research or teaching is possibly related to one of the 15 fields below, the scholar will have to provide additional information to obtain TAL clearance prior to issuance of a visa. It is important that departments in the science, engineering, and technology fields help their student interns by providing an additional support letter to clarify what the intern's research area is and whether or not it relates to any of the fields on the TAL list below. A sample TAL support letter is provided on the following page.

TECHNOLOGY ALERT LIST FIELDS (FROM DOS cable 2002 State 147566 - October 18, 2002)

- A. Conventional Munitions** – including weaponry, countermeasures systems, and detection
- B. Nuclear Technology** – including peaceful and military applications and theoretical usage
- C. Rocket Systems** – including ballistic missile systems, space launch vehicles, and sounding rockets
- D. Rocket System and Unmanned Air Vehicle (UAV) Subsystems** – propulsion technologies, aerospace thermal and high-performance structures, superalloys
- E. Navigation, Avionics and Flight Control Useable In Rocket Systems and Unmanned Air Vehicles (UAV)** – internal navigation systems, tracking and homing devices, accelerometers, gyroscopes, flight control systems, GPS
- F. Chemical, Biotechnology and Biomedical Engineering** – including many dual-use technology in areas such as: aerobiology, biochemistry, pharmacology, immunology, virology, bacteriology, mycology, microbiology, pathology, toxicology, genetic engineering, pathogenecity research, organo-phosphate chemistry, neurochemistry, chemical engineering, neurology, immunology, etc.
- G. Remote Sensing, Imaging and Reconnaissance** – including work with satellite and aircraft remote sensing equipment that can be used for civilian imagery projects or for military/intelligence reconnaissance activities
- H. Advanced Computer/Microelectronic Technology** – including supercomputing, data fusion, acoustic wave devices, hybrid computing, superconductivity, etc.
- I. Materials Technology** – work with metallic, ceramic, composite, and synthetic materials
- J. Information Security** – technology related to cryptography and cryptographic systems
- K. Laser and Directed Energy Systems Technology** –lasers, optical tracking, directed and kinetic energy technology
- L. Sensors and Sensor Technology** – marine acoustics, optical sensors, magnetometers, image intensification devices
- M. Marine Technology** – tech associated with submarines, propulsion systems, navigation, and quieting systems
- N. Robotics** – tech associated with AI, automation, computer-controlled machine tools, pattern recognition tech
- O. Urban Planning** – architecture, civil engineering, community development, environmental planning, geography, housing, landscape architecture, land use and comprehensive planning, urban design

TECHNOLOGY ALERT LIST LETTER
FOR STUDENTS IN SCIENCE, ENGINEERING OR TECH FIELDS
[PLEASE PRINT ON DEPARTMENTAL LETTERHEAD]

In accordance with US Department of State Regulations, the hosting professor of a University of Alabama J-1 Student Intern must provide an evaluation of the Intern's progress and performance. **J-1 Student Intern Evaluations must be completed at the end of the internship**, and those internships which last longer than 6 months also require at least one additional mid-program evaluation (to be undertaken at the mid-point of the program). The sponsoring department must retain J-1 Student Intern evaluations for at least 3 years following the completion of each intern's program. A copy of each evaluation must be submitted to International Student & Scholar Services (either electronic or hard copy).

To process an extension of an internship, a completed intern evaluation must be submitted with the request for program extension. Extensions will not be granted to interns whose program evaluations have not been submitted. ISSS will not process any requests for new J-1 Student Interns for professors who have not submitted evaluations for interns under their current or past supervision.

Instructions: The professor/supervisor should complete Section 1 and the J-1 student intern should complete Section 2 of the form below; evaluation forms must be signed both by the professor/supervisor and the J-1 Student Intern. Please return to ISSS, international@ua.edu.
