O-1 Instructions and Application Packet

O-1 OVERVIEW

The O nonimmigrant category is for the employment of persons who have achieved and sustained national or international acclaim for extraordinary ability in the sciences, arts, education, business, or athletics. Extraordinary ability is defined by the US Citizenship and Immigration Services as ability that shows a “person is one of the small percentage who have arisen to the very top of the field of endeavor.”

O-1 is a category that is rarely used by The University of Alabama because of the large amount of evidence necessary for approval of the O-1. In many instances, H-1B is a much more appropriate employment visa category. An O-1 will not be considered unless other options are not feasible. Final determination of whether or not to pursue O-1 sponsorship will be made by the International Student & Scholar Services.

To be considered eligible for O-1, the international applicant must have a job-offer from The University of Alabama. Only the University of Alabama’s International Student & Scholar Services may petition for the O-1 approval. Employment approval is granted through the U.S. Citizenship and Immigration Services and is job specific as well as employer and department specific.

International applicants and employees who are subject to the 212(e) two-year home residency requirement may be sponsored for O-1, but if the applicant is currently in the US in J visa status, the applicant must travel outside of the U.S. and apply for an O-1 visa in order to obtain O-1 visa status, since J visa holders who have a 212(e) requirement cannot change status to O-1 within the United States.

The O-1 status may be granted initially for up to a three-year period, thereafter O-1s can be extended one year at a time with no maximum limitation. Workers in the O-1 category can fill permanent positions but must leave the country at the end of their authorized period of stay. A person in O-1 status is considered to have dual-intent with regards to immigration. This means that while in O-1 status, workers may file for a change to another immigration category such as Permanent Residency if they are not subject to the 212(e) 2-year home residency requirement.

TIMING OF FILING – PLAN UP TO 1 YEAR IN ADVANCE

At the earliest, the International Student & Scholar Services may submit an O-1 petition to US Citizenship and Immigration Services 1 year before the intended beginning effective date of the O-1. Due to the long evidence collection process, it is recommended that departments begin any new O-1 application as close to 1 year in advance of the intended start date as possible. Extensions and amendments may be filed 6 months in advance. The minimum time needed to prepare an O-1 case after submission of all evidence to International Student & Scholar Services is 1 month.

If timing is a critical issue such as with a new professor hired in the summer months who must begin work at the beginning of the fall semester, departments have the option of filing for Premium Processing. Premium Processing guarantees a decision on an O-1 petition within 15 days of the receipt by US Citizenship and Immigration Services of the I-129, O-1 application. The cost of Premium Processing is \$2805 in addition to the regular \$530 application fee for O-1 applications.

FILING FEES

All O-1 Applications require an I-129 filing fee of \$530. Because the sponsorship of the O-1 is by The University of Alabama, the department which is sponsoring the O-1 application must pay the \$530 fee. Additionally, if Premium Processing is being sought for an expedited service, there is an additional filing fee of \$2805.

CHANGE OF O-1 EMPLOYER – TRANSFER TO UA OR CONCURRENT O-1 EMPLOYMENT

If a hiring department wishes to sponsor an individual who is already in the U.S. in O-1 status with another employer, The University of Alabama must file a petition for change of employer with USCIS. In order for the individual to remain in the U.S. in O-1 status, USCIS must receive the new petition, with \$530 filing fee, before the individual's last day working for the previous employer. Furthermore, in order for the O-1 employee to start working at The University of Alabama, the university must receive the final I-797 Approval Notice for O-1 employment from USCIS. Work may not begin until the final approval notice is received. The documentation required from the department and employee for the change of employer petition is the same as that of a new petition.

CHANGES IN TERMS OF EMPLOYMENT OR EARLY TERMINATION

Departments *must* consult with International Student & Scholar Services prior to changing an O-1's terms of employment (including changes to job duties or department) to determine whether an amended petition is required.

Please inform the International Student & Scholar Services immediately if an O-1 worker's employment is terminated so that the International Student & Scholar Services can notify USCIS, effectively withdrawing the O-1. Because O-1 status is an employment-based status, the worker's visa status ends immediately upon termination. If the department terminates employment, the department must pay the reasonable cost of return transportation to the O-1 employee's last place of foreign residence. **The department will continue to be liable for paying the individual's full salary and benefits if the O-1 is not withdrawn.**

EXTENSION OF O-1 EMPLOYMENT

The process for requesting an extension of O-1 status is the same as for the initial period of O-1 employment; however, beyond the initial 3 years of O-1 sponsorship, extensions are limited to 1 year at a time. The extension petition must be filed prior to the current approved O-1 status end date to avoid interruptions in employment. The employee may continue to work for a period of 240 days while an extension petition is pending, as long as it is timely filed before the current end date. (*Please note:* An extension of O-1 status allows the employee to continue working in the U.S.; however, it does not extend his or her O-1 entry visa, which is required for re-entry into the U.S. after traveling abroad. If the O-1 employee wishes to travel outside the U.S. after the expiration date of his or her current entry visa, he or she must apply for a new entry visa at a U.S. consulate.)

O-1 TRAVEL AND POSSIBLE VISA DELAYS ABROAD

O-1 employees should contact International Student & Scholar Services for information on travel requirements. O-1 visa application requirements can vary by consular location, therefore, please refer to the particular United States consulate/embassy that you will visit. A list of embassy websites is available at <http://www.usembassy.gov/>. Employees and departments should be aware that security checks, which are part of visa processing, may delay an employee's return to the U.S.

ESTABLISHING EXTRAORDINARY ABILITY

Any applicant for O-1 must meet three basic requirements:

1. The applicant has extraordinary ability within one of the five broad fields: the sciences, arts, education, business, or athletics.
2. The applicant's ability has been demonstrated by sustained national or international acclaim.
3. The applicant is coming to the U.S. to continue working in his or her area of extraordinary ability.

ESTABLISHING EXTRAORDINARY ABILITY IN SCIENCE, EDUCATION, BUSINESS, AND ATHLETICS:

- Published material in professional publications written by others about the alien's work in the field in which the O-1 applicant claims extraordinary ability;
- Participation, either on a panel or individually, as a judge of the work of others in the same or allied field in which the O-1 applicant claims extraordinary ability;
- Original scientific, scholarly, or business-related contributions in the field (as shown by letters of attestation and support from colleagues and other experts in the field);
- Authorship of scholarly books or articles (in scholarly journals with international circulation) in the field or in other major media;
- Evidence that the applicant has been employed in a critical or essential capacity for organizations and establishments that have a distinguished reputation;

Basis B: Documentation showing extraordinary ability: An O-1 applicant can also establish extraordinary ability by developing and submitting documentation in at least three of the categories listed below:

- Evidence that the applicant has and will perform services as a lead or starring participant in productions which have a distinguished reputation;
- Evidence that the applicant has and will perform in a lead, starring, or critical role for organizations and establishments that have a distinguished reputation;
- Published material in major newspapers, trade journals, magazines, or other publications written by others about the applicant's achievements and national or international recognition;
- Evidence of major or critically acclaimed successes as evidenced by such indicators as title, rating, standing in the field, box office receipts, motion picture or television ratings, and other occupational achievements reported in trade journals, major newspapers, or other publications;
- Evidence that the applicant has received significant recognition for achievements from organizations, critics, government agencies, or other recognized experts in the field in which the applicant is engaged. (as shown by letters of attestation and support from colleagues and other experts in the field);
- Evidence that the applicant has either commanded a high salary or will command a high salary or other remuneration for services, as shown by contracts or letters of employment.

ESTABLISHING EXTRAORDINARY ABILITY CONTINUED: ADDITIONAL EVIDENCE NEEDED FROM THE DEPARTMENT:

The University of Alabama must also seek the advisory opinion of an appropriate U.S. peer group and obtain a written advisory opinion regarding the nature of the work to be done and the O-1 applicant's qualifications for the position. International Student & Scholar Services will assist with meeting this requirement.

DEPARTMENT PROCESSING PROCEDURES

- 1. Request O-1 processing** (please complete Appendix A): To initiate the O-1 process, the department should complete the Appendix A section of this packet, providing details on the job position and a copy of the appointment letter (if already prepared).
- 2. Complete the Export Control Review Form** (please complete Appendix B). In support of your request for O-1 sponsorship, the International Student & Scholar Services is now required to certify on the USCIS I-129 petition whether or not a license for export-controlled technology or technical data is necessary for the professor/researcher being sponsored. To facilitate this requirement, the [Office of Research Security and Export Control](#) (orsec@ua.edu) will review the information and determine if it will require a license for export-controlled technology or technical data.
- 3. Complete the letter of O-1 support** (please see Appendix C template). Please note that the maximum length of time for which an O-1 can be requested at initially is three years, and extensions are limited to 1-year per request.
- 4. Process Check Request for USCIS Fees** (please see Appendix D).
- 5. Send documents to International Student & Scholar Services:** The O-1 Request (Appendix A), the Export Control Review Form (Appendix B), and the letter of support (Appendix C) may be sent as soon as they are complete. Please send all documents to International Student & Scholar Services, 105 B.B. Comer Hall.

PROSPECTIVE O-1 EMPLOYEE PROCEDURES

- 1. Provide immigration information and history** (please complete Appendix E): Once the department initiates the O-1 sponsorship process by submitting the Appendix A forms and Appointment Letter, International Student & Scholar Services will contact the O-1 beneficiary to obtain the biographical information, immigration documents, proof of qualifications (diploma, CV, licenses), and family information (if applicable) required for the O-1 petition.
- 2. Evidence of Extraordinary Ability** - The international applicant must submit significant evidence of their extraordinary ability, detailed on pages 3 and 4 of this packet.
- 3. O-3 Dependent Sponsorship.** If a prospective O-1 employee has dependent family members (spouse or children) whom the O-1 employee would like to sponsor for O-3 visa status, the O-1 employee will need to consult with International Student & Scholar Services about processing the O-3 visa support. For sponsorship of dependents who are already in the US to either extend or obtain O-3 status, the prospective O-1 employee will need to submit documents for concurrent filing with the O-1 petition. For dependents who are currently outside of the US and will enter the US in O-3 status at a later date, International Student & Scholar Services can advise on how they may obtain O-3 status abroad.

INTERNATIONAL STUDENT & SCHOLAR SERVICES PROCESSING

Once International Student & Scholar Services receives the required materials from the department and applicant, we will complete the necessary forms and send the petition to the USCIS for processing. Prior to submission of the O-1 Petition, International Student & Scholar Services will evaluate all submitted materials for the O-1 Application.

When the O-1 petition is approved, USCIS will send the I-797 Approval Notice to the International Student & Scholar Services. The applicant, the department, and Human Resources will be notified of the approval. The original O-1 I-797 Approval Notice will be given to the applicant, and copies will be kept on file at ISSS and HR.

Upon receiving the Approval Notice (I-797) from the USCIS, the International Student & Scholar Services will notify the employee and ask him or her to come to report to the Center to go over necessary immigration information. If the individual is abroad awaiting the approval notice in order to apply for an O-1 entry visa at a U.S. consulate, the International Student & Scholar Services will contact the department to discuss mailing options in order to supply the O-1 worker with the necessary materials for the visa interview.
