**ALABAMA** Graduate School

# HERE'S WHY.

You already have what it takes to be successful. But it takes more than grit and ambition to make a lasting difference.

The University of Alabama elevates you to meet your potential. We have invested over \$2.9 billion in our students and research facilities – and that's just the beginning.

-  15 UA faculty and students received Fulbright awards last year.
-  30% of our current faculty have won NSF CAREER awards.
-  46 UA researchers are included in the National Academy of Inventors.

## Cutting-Edge Equipment

We empower students with the same top-level tools they will use in their careers.

## Visionary Colleagues

Our growing and diverse community of scholars overcomes local and global challenges.

## State-of-the-Art Facilities

We lead interdisciplinary initiatives and research in UA's world-class facilities. Our laboratories and study spaces are second-to-none.

## Superior Funding

With more than \$25 million awarded last year, nearly half of our graduate students received funding to further their educations and reward their accomplishments. Assistantships, fellowships and scholarships are available to qualified students. In most cases, financial support includes a full tuition scholarship, health insurance and a generous monthly stipend.

## General Admission Requirements\*

- Overall GPA  $\geq$  3.0
- Statement of purpose
- Unofficial transcripts
- 3 letters of recommendation

### Admission Test Score, if required

- GRE  $\geq$  300
- GMAT  $\geq$  500
- MAT  $\geq$  50th percentile
- MCAT  $\geq$  50th percentile

If scores for any of the above are lower than requested, you may be considered for admission with additional requirements.

\*Admission requirements vary by program. Some may not require an admission test score. Please check with your prospective program for specifics.

## Non-Native English Speaker Requirements

- TOEFL  $\geq$  79
- PTE  $\geq$  59
- IELTS  $\geq$  6.5

If your language test score is below these requirements, you may be considered for conditional language admission. For more information, visit [graduate.ua.edu/prospective-students/international-admissions](https://graduate.ua.edu/prospective-students/international-admissions).

# Sweet Home, Tuscaloosa
