INSTITUTIONAL ACTION ANALYSIS  
The University of Alabama

The following analysis is provided for RC019856 to assist the institution in addressing the action taken by the Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) during its meeting held on December 7, 2025:

The SACSCOC Board of Trustee reaffirmed accreditation. No additional report was requested. Your institution's next reaffirmation will occur in 2035 unless otherwise notified.

Standard 7.2 (Quality Enhancement Plan) is currently under a period of study. As such, institutions in the 2025B Class are not required to submit a one-page executive summary of the Quality Enhancement Plan, nor to submit an 'Impact Report of the Quality Enhancement Plan' as part of the 'Fifth-Year Interim Report' due five years before the next reaffirmation review. If your institution chose to retain its quality enhancement initiative after the study period took effect, please upload your one-page QEP executive summary to the SACSCOC institutional portal by February 15, 2026. The summary should include the following information: (1) the title of your Quality Enhancement Plan, (2) your institution's name, and (3) the name, title, and email address of an individual who can be contacted regarding its development or implementation. This summary will be posted to SACSCOC's website as a resource for other institutions planning similar quality enhancement initiatives.

We appreciate your continued support of SACSCOC's activities and work. If you have questions, please contact your assigned SACSCOC Vice President and refer to case RC019856 or Action ACT-29798.
