Bama Bloggers Highlight

"It was such an amazing experience to see and appreciate so many cultures. I got to watch the sun rise in Venice; I had been able to try Swedish meatballs, Dutch mackerel, Danish sausage, German sausage, and Italian coffee (from the first café in Italy, too!). I now had a palette for the world...I was already thinking ahead to my next trip. I had learned so much, and I was basically a completely different person from before I left."
